REMARKS:

The U.S. Environmental Protection Agency is hosting three identical meetings to take public comments on our Proposed Plan for cleaning up lead and arsenic from residential soils in neighborhood yards within the Vasquez Boulevard and Interstate 70 Superfund Site. The meeting times and places are as follows: Thursday, June 20, 6:30 p.m. to 8:30 p.m. at Harrington Elementary School, 2401 East 37th Ave., Saturday, June 22, 10:00 a.m. to 12:00 p.m., Swansea Recreation Center, 2650 East 49th Avenue, Saturday, June 29, 10:00 a.m. to 12:00 p.m. at St. Charles Recreation Renter, 3777 Lafayette Street. Please announce in your community calendar section if possible. For contact information, please include Jennifer Chergo, EPA Community Relations (303) 312-6601 & Patricia Courtney, EPA Community Relations (303) 312-6631.
